Personal Data Processing

Traderline Software

1. Personal Data

- Name
- E-mail

In the event that the data subject requests an invoice, add:

- Fiscal Number
- Full Address (including PO Box)

2. Data Controller

Mythical Technologies Lda., NIPC 513 557 849, headquartered in Rua Pedro Nunes, Instituto Pedro Nunes, Bloco C, 3030-199 Coimbra, Portugal.

3. Lawfulness Of The Processing

Personal data shall be processed by Mythical Technologies Lda. (without prejudice of the contents of clause 6., above) solely according to a bundle of lawful purposes, further considering the following legal grounds for said processing:

- Performance of pre-contractual steps with the data subject;
- Performance of contractual services by Mythical Technologies Lda. on behalf of the data subject;
- Compliance with legislation in force and generic legal rules and obligations;
- Book-keeping and document integrity legal rules.

4. Data Subject Rights

4.1 The data subject has the right, at all time, to require to Mythical Technologies Lda., free of charge:

- The access to his/her personal data;
- The rectification and correction of his/her personal data;
- The erasure of his/her personal data (the “right to be forgotten”) (the conditions defined above in 5. on personal data storage may apply);
- The limitation of his/her data processing (idem);

- The opposition of his/her data processing;
- The portability of his/her personal data to an appointed third entity, provided that said data are stored exclusively in electronic form.

4.2 In every case, if a legal rule or legal obligation in force which supersedes these data subject rights, Mythical Technologies Lda. reserves the right of denial of the data subject request (and/or to determine restrictions to said request, if and when applicable), duly communicating to the data subject the respective grounds of said decision.

4.3 The data subject is entitled to file complaints to Comissão Nacional de Proteção de Dados (hereinafter, CNPD), the Portuguese Data Controller Authority, according to the definitions duly stated in numbers 21 and 22 of article 4 and article 51 of the GDPR.

5. Data Storage Period

5.1 Personal data will be stored for the period defined by legal rules or, in their absence, for the strict time needed for the fulfilment of the processing purpose, taking in consideration the legal basis for said processing, as well as all the remaining requisites and time periods determined by law, namely the lapse terms for legal actions based on the correlated rights.

5.2 Accordingly, in all cases where a mandatory storage period is determined by law, the right of erasure of personal data as stated in Article 17 of the GDPR can only be exercised by the data subject after said period is lapsed.

5.3 Mythical Technologies Lda. shall store the personal data for the strict period of time needed for the fulfilment of the data processing purposes, as well as its erasure (or anonymization, if and when applicable/needed) immediately after said period and/or upon the data subject's request, always considering the above-cited exceptions and all legally defined terms.

6. Third Party Intervention

6.1 Mythical Technologies Lda., while conducting its undertakings, may subcontract third entities (as defined in GDPR number 8, article 4) to process personal data on its behalf, complying with all legal and regulatory obligations, as well as pre-contractual and

contractual duties, in order to pursue the goals and objectives set in 6.2. below. In order to comply with the GDPR requisites, Mythical Technologies, Lda. shall require the previous and mandatory consent to the data subject for this specific processing.

6.2 The grounds for this data processing to be performed by third parties relates to payment operations of the services provided by Mythical Technologies to the data subject, which duly require the access to said personal data.

6.3 Mythical Technologies Lda. shall celebrate with said third parties the relevant Data Processing Agreements, assuring the full compliance with all GDPR relevant provisions.
